SENATOR LEWIS: I want to make my motion clear and that is to strike the committee amendments and insert the amendment that I moved. That is my motion.

PRESIDENT: Alright, read the motion.

CLERK: Read motion.

SENATOR LEWIS: OK, that does the same thing. I love... Mr. Chairman, I think that it is clear that this is the appropriation for the community technical schools and the 11 million 612 thousand dollars to go with 344 and I ask for the adoption.

PRESIDENT: Sean or Warner, for what purpose do you arise?

SENATOR WARNER: To inquire of the Chair, is the amendment to Senator Lewis' amendment in order or do I have to wait until it is adopted?

PRESIDENT: Well he did close so I'm going to have to rule that it would be out of time Senator. Senator Dickinson for what purpose do you rise?

SENATOR DICKINSON: I didn't realize that Senator Lewis was closing, can I ask a question of Senator Lewis?

PRESIDENT: Well you could ask it of the Chair. Were going to bust this closing rule right open.

SENATOR DICKINSON: Would you please ask Senator Lewis if he will make this perfectly clear that this thrusts a 2 1/2 mil levy on all property owners in Nebraska.

PRESIDENT: Can you answer that yes or no?

SENATOR LEWIS: This is in compliance with 344, which has a maximum mil levy of 2 1/2 mils.

PRESIDENT: Senator Barnett.

SENATOR BARNETT: (No response).

PRESIDENT: Senator Stull, for what purpose do you rise?

SENATOR STULL: I'll ask a question after the amendment is adopted.

PRESIDENT: Senator Marvel, for what purpose do you rise?
